## Ordinance Amendment to Title 3-5 Valley County Transfer Station and Resolution Establishing Fees Failure to Properly Cover Loads

The Board of County Commissioners will hold a public hearing on an ordinance amendment and proposed fees.

The proposed ordinance would amend Valley County Code, in order to protect the health and safety of residents along with the aesthetics of our scenic roadways, by assessing penalties for failure to comply with Valley County Code 3-5-5.B that requires loads of materials taken to the Valley County transfer station to be appropriately covered.

3-5-5: TRANSPORTATION OF TRASH, GARBAGE AND SOLID WASTE: No person shall transport trash, garbage or refuse of any kind over the public streets and ways of the county in violation of the following conditions:

- A. Loads: No person shall cause or permit any vehicle used for such transportation of trash, garbage or refuse of any kind to be so loaded, or to be of such construction or condition, so as to permit any of such trash, garbage or refuse of any kind to drop or fall upon or in any street or public way.
- B. Cover Required: All vehicles used for such purpose shall be provided with a suitable cover securely fastened so as to retain dust and prevent the scattering or dropping of such trash, garbage or refuse of any kind in or upon the public streets or public ways. (Ord. 11-8, 7-11-2011)

A \$25.00 fee or a citation for an infraction is proposed for failure to properly cover a load.

Fees are adopted by resolutions approved by the Board of County Commissioners.
