Present: Douglas Roe, Chairman, Jally Zeydel, Kevin Turner (Marine Deputy)  
Dave Bingaman, Kurt Wolf (City of McCall), Matt Linde (Ponderosa Park), Blake Packer  
(Cascade Parks)

We did not have a quorum, so minutes were not approved.

Blake: Short discussion followed on Marina proposal at Poison Creek. No real updates, although they are working with BOR for piling permissions.

Matt: Asked whether the Sheriff's dept. had any ruling or info on alcohol use at North Beach during July 4th. Kevin will check with the Sheriff and get back to us.

Kurt: The plan for the Classic Wooden Boat show will be held around Aug. 4. Still in question where it is going to take place, either Art's Robert or Legacy Park. The Party Pontoon Boat application have been approved by the City of McCall. No updates on the WIF grant. A discussion followed about log removal efforts this summer. Jally stated that he had contacted McCall Sewer district regarding help with this effort. They said they would get permission from the board and we need to contact the new manager Jeff Bateman for this.

Kevin: Not much news. He did say that he hired a new Marine deputy for the summer. He also let us know that he will not be attending next months meeting due to training conflict.

Next meeting is on May 3, 2022
