**Verify posting of Agenda** by Mary Kuhn.

**Approval of Minutes:** Motion to approve October minutes by Wayne Jerrett, seconded by Owen Ducharme. Motion carried unanimously by voice vote.

### University of Wisconsin Extension Items:

- Educators/Coordinators Reports:

**Sara Tedeschi, Community Development Educator**

- Custom Grazing workshop this evening in Gays Mills, location other than PDC
- Community Kitchen & Entrepreneurship
  - How to better utilize the kitchens
  - Reduce barriers and increase interest
- Crawford County Farmers Market Grows
  - Non-profit created years ago to work with local markets will continue
- Agritourism
  - Farmer/Producer Trainings coming next year with state-level folks
  - 'Inventory' the county with local businesses, producers, farmers, farm-stays, etc of what's available
  - Guest speaker at each meeting to bring more info value to the meetings
  - Meeting with individual partners over the winter to see how to get more of an online presence
- Baldwin Grant - Wisconsin Idea
  - Feels Crawford County needs a community food assessment
  - Focuses on Vernon & Crawford Counties
- Attended FEED Summit last week
  - Felt it was high quality, but under attended

**Amy Mitchell, 4-H & Youth Development Educator**

- Awards Program was well attended, almost 100 4-Hers and family members
  - Many leaders recognized
- 253 currently enrolled, includes youth and leaders
- Robotics Afterschool program at Seneca
  - 6 week program was a success
  - 14 overall kids, 2 high school mentors
  - Mostly 4<sup>th</sup> graders
  - Will also be doing robotics demonstrations at club meetings

- Presenting to the school board about what they learned
- 2 Youth from robotics program are going on to toy maker initiative at UW-Platteville
  - Field trip is Friday! Get to help cut out a toy with a laser cutter out of acrylic sheets/file.
  - Might have shelf space at Johnson's to sell the toy(s)
  - STEM teacher from school is helping as well
- Project Meetings are starting back up!

**Sam Bibby, Regional Crops Educator**

- Had to pivot at a presentation, speakers not available from NRCS due to government shutdown, but great turn out!
- Nutrient management training, taking on new role
- Camelina – cover crop
  - New grant opportunity
  - Harvested the test field
- Nitrogen rate trial opportunity
- Wisconsin Agribusiness Classic – highly involved with the conference prep, also presenting at the conference
- Additional speaking opportunities

- **Adam Hady, Area Extension Director Report:**
  - All is good

**Public Comments:** None
