Winter Festival - February 14, 2026. A. Albro is very appreciative of this committee's work to make Winterfest a reality. He created a flyer and will arrange for piles for snow sculptures. Members reviewed the event schedule and decided to move the timeframe to start at 2 p.m. with some overlap in activities to engage more participants. Members decided to not have a bake sale due to limited volunteers. Ore Mill will be having a Valentines to Remember Dinner from 5 - 7. Dottie to update the event schedule with lead volunteers. Dance will be by donation from 7 - 10. All are welcome. Kids must be accompanied by an adult. Lisa King generously donated a gift basket and gnome for the PTO to raffle. PTO will also sell 50:50 tickets. Morgan Clark had said she would donate her time to raise money for the PTO but this has become more of a Park and Rec event. C. Hytinen motioned that all entry donations go to Red Daisy Revival and if less than \$200 PTO will make up the difference. Seconded by C. Cunningham-Spence. Approved 8/0/0
