

Administrative Updates

- Snow event response went well; no complaints received. Jake coordinated with Mayor Fortune and Crowder throughout
- Contacted Mo American Water regarding subpar pavement repair to a water leak in early January on Crescent Avenue near Oak Tree Lane; Jake is coordinating repair request
- City-wide spring clean up scheduled for the weekend of March 27-29; Gateway Disposal will again provide dumpsters throughout the city, for bulk waste collection instead of yard waste; resident notification and guidelines will be sent in advance
- I enrolled in the Municipal Governance Institute to receive Certified Municipal Official designation
- New website is live at www.cityoftwinoaks.gov - coordinating with CivicPlus to release the .com
- Notification to current email list sent on Friday
- Chingo reservations will be completed through the new website - announcement sent on Sunday

Project Status

Park Access Pedestrian Improvement Project (park grant)

- BFA still working on preliminary plans - will be presented to the board for review when complete
- Mo American Water field verifying existing stormwater on 2/3

Park Lighting Upgrade Project

- Finally received an update regarding Phase 2 of the project
- Have asked the contractor to attend the board meeting on Feb 21 to explain issues regarding phase two of the project

Meramec Station Sidewalk Connector (TAP Grant)

- Have had several firms reach out regarding the project
- Deadline to receive letters of interest is February 27th
