Good afternoon,

Due to weather conditions and the up most safety for our committee, we are cancelling our Special Bungay School Building Committee Meeting for tonight. Due to new guidance, we are not able to have the meeting fully virtual, we would have had to post it as a hybrid meeting initially.

We will have our regularly scheduled Building Committee Meeting next Tuesday, March 10th at 7pm. The location remains the same, Central Office.

If you have any questions or concerns please make either myself, Fred Stanek or Peter Kubik our Board CoChairs aware.

Be well.
Becky
