Ann Marie Drugonis, First Selectwoman for Seymour, brought to the attention of the board that ACES and Boys and Girls Club may be interested in re fitting the old Bungay School. Ann Marie reported that they may also be interested in moving the Community Center to the old Bungay School. Ann Marie stated that if those two companies were interested, they would have to pay to make the school fit to their needs. Increased parking and the fields were also discussed. The board agreed that it would be discussed with the hired architect and put as a

possible option on the RFP and RFQ. The board will make an informed decision after receiving further information.

Attorney Lapp reported that he will need approximately 2 weeks to update the RFP and RFQ and should have ready for approval at the next Building Committee Meeting.

The Committee had to revise the finish date for the school due to the RFP's and RFQ's taking slightly longer than planned and another revision. The new date for students to fully enter the new school will be September of 2029.

**The remaining items on the agenda have been tabled by Fred Stanek, Co-Chair, to the next meeting which will take place on Wednesday, April 23<sup>rd</sup> at 7:00pm in the Central Office Boardroom.**
