October Chief's Report

During the month of October, one firefighter successfully graduated from **Firefighter I**. Additionally, one member is currently enrolled in a **Q2 Driver/Operator** course, and five members are attending **Firefighter II** training.

Two department drills have been scheduled:

- **October 29th:** Connecticut State Police – Fire and Explosion Unit
 - **November 18th:** "Fires in a 2½-Story Wood Frame Home"
- Both drills will be held at **Great Hill**.

All **DOT testing and preventative maintenance (PMs)** have been completed. The only remaining service items for this year are **ladder testing and rescue tool maintenance**.

Marine 1 and the **UTV** have been lettered, and both came out great.
