Mr. Kubik made the opening statement. I will now call to order a special meeting of the Expulsion Subcommittee of the Seymour Board of Education, which is called for the purpose of conducting a student expulsion hearing. Further, I move that the following persons are to be invited into Executive Session to assist in either giving testimony or evidence, or representing the various parties to the proceeding: members of the board, Dr. Compton, Attorney Rosen, Mr. Lucke, Ms. Ciccone, Ms. Levey, and the guardians of the student, and the student.

II. STUDENT EXPULSION

A. To consider and act upon the recommendation from the administration regarding student expulsion.

MOTION: (Lori Nespoli / Jim Garofolo) I move that the student about whom the expulsion hearing was conducted on March 17, 2026 at 5:30 PM is to be expelled, effectively immediately, until February 18, 2027. During the term of his expulsion the student shall be provided with an alternative learning education opportunity. If, in the judgment of the Superintendent of Schools, Dr. Susan Compton, the student has actively and cooperatively participated in his alternative education program, and if the student complies with the requirements discussed during Executive Session, the student may be re-enrolled in the regular school program on a probationary basis on August 26, 2026. Under the terms of his probation, if the student commits any offense which otherwise would be punishable by either an in-school or out-of-school suspension, his expulsion will resume immediately and will continue until February 18, 2027. I further move to authorize Board counsel to prepare a written decision consistent with these findings to be entered into the record of this matter and provided to the parents and students.
